

Caribbean Children's Book Group Announces New Coomacka Island Title

Caribbean entertainment group announces newest title: Lenox Lizard and the Kukumacka Duppy. The Coomacka Island book series has received acclaim from parents, children and teachers for its educational and cultural value.

Brooklyn, New York 06/24/2007 - The team behind the Coomacka Island series is back with their third book release Lenox Lizard and the Kukumacka Duppy. In just over a year, the series, authored by Don P. Hooper and illustrated by Darnel Degand, has built up a large fan base.

Praise over the series has come from beyond the Caribbean. Readers from Tennessee to New York to Oklahoma have praised Coomacka Island books for being more than just an entertaining read. The engaging story lines and colorful illustrations help to keep children's attention, while giving parents and teachers important topics to dialogue about. The series' educational value is bolstered by additional topics for discussion at the back book.
